

EVOLUTION SPORTS

AL WAJBA ROADMAP

2021 / 2022

INTRODUCTION

Evolution Sports Qatar is delighted to share our updated roadmap for Term 2 of our 2021/2022 season.

We have planned our logistics in preparation for every outcome, to accommodate Ministry of Education (MoE) and Ministry of Public Health (MoPH), requirements regarding COVID-19, and also to ensure we do our utmost to protect the local community as we continue to operate in a global pandemic.

We are extremely excited to welcome you for Term 2 of our 2021/22 season and we are confident we have made all necessary provisions to ensure the safety for all our members and visitors.

Please be fully aware that there may be other, last-minute changes from the Qatari authorities and we will communicate immediately as and when we have updates with regards to COVID-19 guidelines.

We are most grateful for your support.

DROP OFF AND PICK UP

Evo Sports has a drop off and pick up procedure to not only ensure the safety of our members but also enable our visitors to transition between drop off and pick up as smooth as possible.

Each member will receive an email prior to the first day of their first session regarding pick up and drop off times and how to access the Doha College Al Wajba sports facility.

DROP OFF

Members are expected to arrive at Doha College Al Wajba on time for the start of their session and parents / guardians should be ready to collect their child/ren immediately after their session has finished.

At drop off, commensurate with ministerial requirements, all parents / guardians will have their Etheraz checked as they enter the campus.

Masks must be worn at all times by parents / guardians.

Any child under the age of 11 years old must be accompanied by a parent / guardian when arriving or leaving the campus. Children over the age of 12 years old will be permitted to enter the campus alone and make their way to their sports facility. They must not congregate or gather in groups anywhere on the campus so we can ensure social distancing is always observed.

One parent / guardian will be permitted to drop off their child for their session. Additional family members such as siblings will not be permitted on site.

DROP OFF AND PICK UP

PICK UP

The security team will allow parents / guardians to enter the Al Wajba Campus before the end of their child's session. This is to ensure there are no large crowds awaiting at the gate or at the entrance of each sports facility. For pick up, all parents / guardians will have their Etheraz checked as they enter the campus.

When waiting for sessions to finish, all parents / guardians must be seated at a designated seating area and must not encroach onto the field / sports hall / swimming pool.

Once the session has been finished and all child(ren) has been collected. All members of the party must leave the campus immediately through their designated gate. Children over the age of 12 years old are allowed to be collected outside the campus.

SECURITY AND EVO LANYARDS

Security members will aid in the arrival and departure of Evo Sports members. There will also be several security members patrolling inside the facility to ensure the safety of members.

The Doha College security have the right to deny any member of Evo Sports access to the facility. They also have the right to ask any Evo Sports member to leave the campus immediately if they feel any member is not abiding by the rules.

To enter the Al Wajba facility, all Evo Sports members must show their Evo ID to the security team. The Evo Sports red lanyards must be visible at all times. Security have the right to deny access if a red lanyard is not visible.

COVID - 19 PROTOCOLS

COVID-19 RESPONSE PROTOCOLS

Evo Sports has several COVID 19 response protocols to ensure the safety and wellbeing for any individuals who visit Doha College Al Wajba.

If any member / parent and or guardian comes into contact with a positive case or tests positives themselves, they must inform Evo Sports immediately.

Evo Sports response to each COVID-19 case will be determined by the different scenarios that have been pre planned.

SESSION STRUCTURE AND RESTRICTIONS

SOCCER - INFECTION PREVENTION AND CONTROL

- Masks to be worn by all staff when sessions are taking place (once sessions start members can remove their masks when taking part in activity, but must wear again when they are inactive).
- Coaches and members are advised to avoid touching surfaces and their nose, eyes, or mouth.
- Avoid physical contact, e.g., hugging, handshakes, etc
- Players should use their drinking bottles and not share with others (individual bags and bottles will be separated at all times).
- No spitting on the field of play.
- Cleaning and disinfection of sports equipment after each session is mandatory.
- Hands to be sanitized before and after sessions.

SESSION STRUCTURE AND RESTRICTIONS

- Hands to be sanitized before and after sessions.
- Protocols in place for the usage of changing rooms.
- All lanes will be uni-directional, thereby minimizing the risk of contact with other swimmers throughout the session.

SESSION STRUCTURE AND RESTRICTIONS

FENCING AND ARCHERY - INFECTION PREVENTION

- Masks to be worn by all staff when sessions are taking place (once sessions start members can remove their masks when taking part in activity, but must wear again when they are inactive).
- Coaches and members are advised to avoid touching surfaces and their nose, eyes, or mouth.
- Avoid physical contact, e.g., hugging, handshakes, etc
- Players should use their drinking bottles and not share with others (individual bags and bottles will be separated at all times).
- No spitting on the field of play.
- Cleaning and disinfection of sports equipment after each session is mandatory.
- Hands to be sanitized before and after sessions.

DAILY HEALTH CHECKS

Prior to the start of our new term, all members will be required to agree to a declaration which confirms daily temperature checks of their child/ren. If your child/ren's temperature is 37.8C or above, they should stay at home, and your child's coach should be informed on the day of their session.

This will support a preventive approach to protect our community in an effective manner. The relevant data will be shared with the various ministerial bodies as and when requested.

MEMBER HEALTH

Children who are ill, including those with a fever, sore throat, and/or coughing, **MUST** stay at home. This is for the protection of the individual child but also other members and staff. If a member attends a session and are showing symptoms of any illness then they will be removed from the session immediately and a parent/guardian will be contacted to pick up the child.

SPORTING EQUIPMENT

All sports equipment will be sanitized before and after each session. Groups will be separate while sessions are taking place. No individual child will have contact with separate groups during their session.

Each group will have a clear area to keep their personal possessions. Water bottles, bags, towels etc will not allowed to be shared between individuals.

FACE MASKS

Members will be required to wear face masks at all times while moving around the school campus. Once a member has entered their sports area they may remove their face masks. Parents/ Guardians however must keep their face mask worn at all times. All members must abide the social distancing rule of 1.5m between each individual.

HAND SANITISERS

Hand sanitizers are placed in all areas of the campus, both internally and externally: they will be refilled regularly. Members are encouraged to bring in their own hand sanitizer: and to practice good hygiene.

CLEANING & DISINFECTION

At the end of each day, all areas of the campus will be deep cleaned and disinfected. All equipment will be disinfected at the end of each day. At the start and end of each session, members taking part in sessions will be required to sanitise their hands.

SOCIAL DISTANCING & MOVEMENT

Social distancing as per the MoPH guidance (1.5m) will be enforced across the campus with signage in key locations to support this message to everyone. Parents should be encouraged to adhere to these guidelines to keep everyone safe, especially when transitioning around the site.

CHANGING ROOMS

Changing rooms will be made accessible to all visitors taking part in any Evo Sports sessions. Rules and Guidelines will be made visible inside the changing rooms for members to follow.

ISOLATION ROOMS

Any member who showing symptoms for COVID-19 will be taken to isolate and will wait for their parent/guardian to pick them up.

REGISTRATION AND PAYMENT

Due to the outbreak of the Covid 19 Pandemic, Evo Sports Qatar has had to restrict the number of spaces we can offer within our programmes. New and existing members must register for our upcoming programmes via our Members Area on the Evo website (www.evosportsqatar.com).

Payment must be made before your child's first session. Due to Covid-19 restrictions, your child will not be allowed access to any programme if their place has not been paid.

This document must be read before the start of the sports programmes. This is a resource document developed by Evolution Sports Qatar to help anyone who will be returning to Evo training sessions during the COVID-19 pandemic.

Please be aware that this is a working document and will be updated when ministerial guidelines are changed.

MEMBER DECLARATION

Upon registration for an Evo Sports programme, all members must agree to Evo Sports' terms and conditions. These terms and conditions are clearly stated upon registration for each member. Members cannot proceed to book a programme unless they have agreed to all the terms and conditions.

Members must also be aware that if any government restrictions due to the Covid-19 pandemic prevent Evo Sports from physically delivering the Evo Sports programme face to face we reserve the right to offer online learning. No fees will be refunded or credited in such instances.

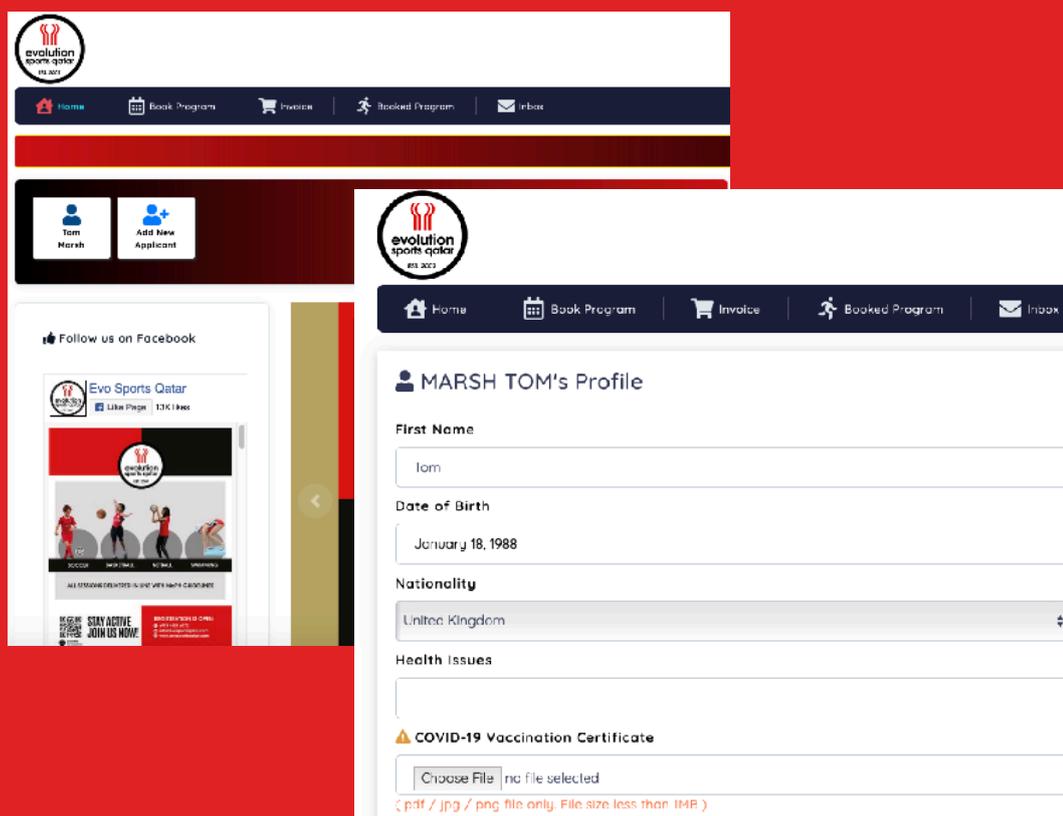

All Evo Sports terms and conditions plus all policies are viewable to all members via the Evo Sports website at <https://evosportsqatar.com/policy>

VACCINATION POLICY

To take part in an Evolution Sports programme, all members must be complete the Vaccination Protocols.

Upon Registration, all Evo Sports members will receive an email on how to upload all necessary vaccination / declaration forms to the Members Area. This is to fall in line with the guidelines set out by the Ministry of Public Health.

The image shows two overlapping screenshots of the Evolution Sports Qatar website. The top screenshot displays the main navigation menu with options: Home, Book Program, Invoice, Booked Program, and Inbox. Below the menu, there are buttons for 'Tom Marsh' and 'Add New Applicant'. The bottom screenshot shows the 'MARSH TOM's Profile' page. It includes fields for 'First Name' (Tom), 'Date of Birth' (January 18, 1988), and 'Nationality' (United Kingdom). There is a 'Health Issues' section and a 'COVID-19 Vaccination Certificate' section with a file upload button labeled 'Choose File' and the text 'no file selected'. Below the upload button, it specifies '< pdf / jpg / png file only. File size less than 1MB >'. On the left side of the bottom screenshot, there is a Facebook widget for 'Evo Sports Qatar' and a sidebar with promotional text like 'STAY ACTIVE' and 'JOIN US NOW!'.

To complete this process, simply log into the Members Area, select your child(ren) name in the top left hand corner. On each child's profile, there is an option called "COVID-19 VACCINATION CERTIFICATE". Here parents will be able to upload all relevant documents.

Members who do not complete this process will not be permitted to take part in Evo Sports sessions.
